

AESP 2350-T-251 CARRIER PERSONNEL FULL TRACKED FV432 Mk 2 & 2/1 (BOWMAN) - REDACTION RECORD

Date of redaction	Document reference	Date & version of document	Page/ Para /Line	Top Level details of exempt material	FOI Exptn applied	Reason for withholding information
10.05.11	2350-T-251-201	2 nd edition Oct 2004	Ch 1-1, P 6, Table 1, Items 11 - 14	Operational details	s26	<p>The redacted information is being withheld, as it could compromise operational security (s26) for existing in-service vehicles/users.</p> <p>This information details specific vehicle operational range characteristics. It has therefore been withheld in order to safeguard current vehicle operational activity.</p>
			Ch 2-2, P 26, Fig 20	Communications sensitive details	s26	This information details the layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 2-2, P36, Para 94	Weapons sensitive details	s26	This information details specific data regarding the limitations for fitted weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-2, P2, Para 3 – 6 & Fig 1	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 3-4, Page 2, Para 4 – 9 &	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore

			Fig 1			been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 4, Fig 2	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 6, Para 13 - 14 & Fig 4 & Fig 5	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 7 Fig 5	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 8, Para 17 & Fig 6	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 9, Para 18 & Fig 7	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 10, Para 19 - 21 & Fig 8	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard

						current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 11, Para 23 & Fig 10	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 12, Para 25 - 26 & Fig 11	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-4, Page 15, Para 41 & Fig 12	Weapons sensitive details	s26	This information details specific data regarding the qty and stowage of ammunition. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 3-6, Page 2, Para 3 – 11,	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 3-6, Page 4, Para 21	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 3-6, Page 5 & Fig 1,	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current

						operational activity.
			Ch 4, Page 1, Para 3 – 5	Operational sensitive details	s26	This information details and prioritises the self destruction of equipment in order to deny the enemy. It has therefore been withheld in order to safeguard current operational activity.
			Ch 4, Page 2, Para 6 – 10		s26	This information details and prioritises the self destruction of equipment in order to deny the enemy. It has therefore been withheld in order to safeguard current operational activity.
			Ch 4, Page 3, Para 11 & Table 1		s26	This information details and prioritises the self destruction of equipment in order to deny the enemy. It has therefore been withheld in order to safeguard current operational activity.
10.05.11	2350-T-251-302	2 nd edition Oct 2004	Ch 0, Page 3, Table 1, Items 11 – 14 & 26	Operational sensitive details	s26	This information details specific vehicle operational range characteristics. It has therefore been withheld in order to safeguard current vehicle operational activity.
			Ch 5, Page 77, Para 341 – 343 & 347	Communications sensitive details	s26	This information details operation and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 5, Page 78, Fig 50	Communications sensitive details	s26	This information details the configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 5, Page 79, Para 349 - 353	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to

						operational activity.
10.05.11	2350-T-251-523	2 nd edition Oct 2004		No Redaction Required		
10.05.11	2350-T-251-533	1 st edition Apr 2006	Ch 1, Page 7 Table 1, Item 37	Operational sensitive details	s26	This information details specific vehicle operational range characteristics. It has therefore been withheld in order to safeguard current vehicle operational activity.
11.05.11	2350-T-251-711	1 st edition Jan 2003	Ch 2-16, Pages 1- 23/24	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 2-17, Pages 1-5/6	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 2-18, Pages 1-5/6	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
			Ch 2-19, Pages 1- 39/40	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
		Annex A	Ch 2-16, Pages 1- 33/34	Communications sensitive details	s26	This information details layout and configuration of current in-service communications data as applicable to

						been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 9, Para 17	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 10, fig 6, Para 18 & 19	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 11, Para 21	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 12, Para 22-23 & Fig 7	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 13, Para 12	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in
			Ch 6, Page 14, Fig 8	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional

						weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in
			Ch 6, Page 15, Para 26 - 29	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 16 Fig 9	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 17, Para 31 - 34	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 18 Fig 10	Weapons sensitive details		This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 19, Para 35 - 38	Weapons sensitive details		This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page	Weapons sensitive details		This information details specific data

			20, Para 40 – 42 & 44			regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 21, Para 45 – 51	Weapons sensitive details		This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 22, Para 52 – 55	Weapons sensitive details		This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 23, Para 56 & Fig11	Weapons sensitive details		This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 24, Para 56 - 58	Weapons sensitive details		This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 25, Fig 12	Weapons sensitive details		This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons

						BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
10.05.11	2350-T-251-412	2 nd edition Oct 2004	P 12, Instr 2, Fig 6	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
10.05.11	2350-T-251-522	2 nd edition Mar 2003	Ch 6, Page 4, Fig 1	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 5, Para 8	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 6, Fig 2, Para 10 & 12	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 7, Fig 3	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore been withheld in order to safeguard current vehicle and in-service weapons operational activity.
			Ch 6, Page 8, Para 13 & 14 & Fig 4	Weapons sensitive details	s26	This information details specific data regarding the limitations for additional weapon mounting. It has therefore

						BOWMAN. It has therefore been withheld in order to safeguard current operational activity.
11.05.11	2350-T-251-811	1 st edition Apr 2008	EMER Tracked E107/2, Mod Instr 141 (Mar 98)	Operational sensitive details	s26	This information details camouflage and concealment fitment as can be applied to current in-service AFVs. It has therefore been withheld in order to safeguard current vehicle operational activity
11.05.11	2350-T-251-821	1 st edition Apr 2008		No Redaction Required
